STATEMENT OF DORON SIERADZKI IN SUPPORT OF PETITION
UNDER 37 C.F.R §1.47

I, the undersigned, Doron Sieradzki submit this declaration in support of a petition under 37 C.F.R §1.47. The below is true and accurate to the best of my knowledge:

1. The application is a National Phase Application of PCT International Application No. PCT/IL2004/000653, International Filing Date July 18, 2004, naming inventors Eitan Zait, Vladimir Dmitriev, Nikolay N. Guletsky, Sergey Oshemkov, and Guy Ben-Zvi, and assigned to UCLT Ltd.
2. The application entered National Phase on January 18, 2006 with the United States Patent and Trademark Office (the "USPTO").
3. On April 5, 2006, the USPTO mailed a Notice of Missing Parts, requiring applicants to file a signed declaration of the inventors.
4. On or about late April, 2006, I sent a declaration to each of the named inventors of the application to be executed in accordance with 37 CFR 1.66 or 37 CFR 1.68.
5. As Mr. Guletsky no longer resides in Israel, I sent this letter to Mr. Guletsky's last known address at Apt. 167, 25/3 Nastavikov Prospect, St. Petersburg, 195030 Russia. I received no response from Mr. Guletsky to this letter.

6. In early May 2006, Mr. Sergey Oshemkov (a co-inventor and UCLT Ltd. employee) traveled to Russia on holiday. Mr. Oshemkov approached Mr. Guletsky to discuss the matter of the declaration. However, Mr. Guletsky refused to sign the declaration, stating that he would not sign any documents relating to UCLT Ltd.
7. On May 31, 2006, I wrote another letter to Mr. Guletsky reminding him of his obligation by law to assist in the filing of the application, including in signing the declaration, and again attached a copy of the declaration. The letter was again sent to Mr. Guletsky's address in Russia by courier (UPS).
8. To date, I have not received the signed declaration, or any other response to my May 31, 2006 letter to Mr. Guletsky.

I declare that the above is true and accurate to the best of my knowledge.

Doron Sieradzki
